

Quarterly Budget Report

Fiscal Year 2024 - Third Quarter

Executive Summary

This report provides a comprehensive overview of the agency financial position for the third quarter of Fiscal Year 2024 (July 1 - September 30, 2024). Overall spending remains within appropriated levels, with 72% of the annual budget obligated through Q3.

Budget Overview

Table 1: Budget allocation and expenditure by category for Q3 FY2024.

Category	Allocated	Spent	Remaining
Personnel & Salaries	\$4,250,000	\$3,187,500	\$1,062,500
Operations & Maintenance	\$1,800,000	\$1,245,000	\$555,000
Information Technology	\$950,000	\$712,500	\$237,500
Travel & Training	\$320,000	\$198,400	\$121,600
Contracts & Services	\$2,100,000	\$1,575,000	\$525,000
TOTAL	\$9,420,000	\$6,918,400	\$2,501,600

Key Findings

- Personnel spending is on track at 75% of annual allocation.
- IT spending includes the

planned
infrastructure
upgrade
completed in
August.

- Travel expenditures are below projection due to virtual meetings.

- Contract spending remains within planned levels.

Recommendations

1. Maintain current spending controls through Q4.

2. Consider reallocating unused travel funds to maintenance.

3. Begin FY2025 budget planning by November 1, 2024.
